

**SELF EVALUATION** – Name: ..... Application number: .....

*The self-evaluation is your assessment of your eligibility for admission to the master's programme(s) you are applying for. You need to fill in which subjects from your higher education you think form the academic basis for the specific master's programme. Your assessment will only be used as a tool in the processing of your application. By filling out the self-evaluation, you may get an indication of whether you meet the academic basis or not.*

I have thoroughly read the admission requirements and believe that I meet both the basic requirements as well as the academic basis for admission to the specific master's programme(s).
