Student evaluation of courses – checklist
Stipulated by the leader of the Academic Affairs Committee 26 August 2021

1**. Academic content and learning outcomes**

- Do you find that the teaching contributes to your understanding of the academic content of the course?
- How do you experience the degree of difficulty/the level of the syllabus?
- Do you perceive the syllabus to be relevant and appropriate to the learning outcomes?
- Do you see the course as relevant to your study programme?
- Do you have any proposals for changes?

2. **Work – and assessment methods**

- Do you find that the teaching- and working methods are appropriate and contribute to good learning?
- In your opinion, is the amount of teaching sufficient to achieve the learning outcomes?
- Do you receive sufficient feedback/informal assessment and supervision from the course teacher?
- How do you perceive the use of digital tools in the course?
- How do you experience the dissemination of the course materials?
- Do you have any proposals for changes?

3**. The learning environment**

- How do you perceive the academic environment/cooperation among the students?
- How do you find the social environment among the students?
- Is the academic environment between students and teachers satisfactory?
- Would you say that the teaching rooms are suitable for the teaching in the course?
- Do you have any proposals for changes?

4**. Workload and individual effort**

- How do you prepare for the teaching?
- Are your own efforts appropriate to the scope of the course?
- How many hours per week do you devote to this course?
- Is the lecturer's expectations concerning workload appropriate to the scope of the course?
- Do you have any proposals for changes?

5. **Information and administrative support**

- Are you satisfied with the information about the course and the way Canvas is used?
- Are you satisfied with your access to the syllabus?
- Are you satisfied with your access to ICT – resources and other administrative support?
- Do you have any proposals for changes?

6**. Other**

- Is there anything that you are particularly pleased with?
- Do you have anything else to add?
