## Courses offered for Incoming Erasmus Students Semester: Spring 2024

### Guidelines for selecting courses:

1. Bachelor Students can only select Bachelor courses. Note that all courses whose code begins with **5, 6 or 7** (example *MIREL-500*) are **Master courses**. Please be careful in your selection. In case you are not sure about the level then please contact the UNIC Erasmus Office prior filling in your LA/OLA.
2. The maximum number ECTS you can choose per semester is 30 ECTS. No exceptions will be made.
3. Make sure that there are **no timetable clashes between the selected courses**.
4. Information and course descriptions can be found [here](#). This link includes the courses that are usually offered at UNIC hence some of them may not be included in the courses mentioned below, as the courses offered each semester are not the same. In addition to this, you might notice that the semester mentioned in the course description/outline may not corresponds to Spring 2024, however, **if the course is included in the course schedule mentioned below then it will be taught during the upcoming semester**.
5. If a course is offered more than once, students must **specify the section** (time slot) (example: *ACCT-110 (01)*) they prefer in their LA/OLA.
6. Please keep in mind that changes on the courses may occur until your arrival at UNIC, however you will be notified via email accordingly.
7. **Deadline to submit your LA/OLA: Friday, January 19<sup>th</sup> 2024.**
